

## **70 WEEKS or 490 YEARS**

**March 14, 445 B.C.**

**69 Weeks = 483 Years to Messiah the Prince**

**April 3, 31 A.D. = Palm Sunday, the triumphal entry**

**Julian Calendar = 365 Days in the Year**

**365 X 476 Years (445 B.C. to 31 A.D.) = 173,740 days**

**March 14 to the end of the month = 18 days**

**April 1-3 = 3 days**

**Leap Year days = 119**

**(476 years divided by four for leap years)**

**Total Days = 173,880**

**Hebrew Calendar = 360 Days in the Year**

**Total Days = 360 X 483 years (69 weeks) = 173,880**
